The Premises:

Park just off the road in their private car park, Intercom to announce your arrival - then the lift comes down and the maid greets you and takes you up to the 1st Floor - the place has got 5 or 6 rooms and a seating area - it seems a bit strange the first time you go there but its OK!!!

The Lady:

Shit at ages so would say mid 30's, blonde, good looking and dressed v sexy.

I have also seen Babes, Honey, Shannon, Lucy, Suki and Kate - they are all different but are all sexy - definitely worth a visit to see any of them!!!

The Story:

Absolutely fantastic - at last Birmingham has got a great place with some great ladies who give a great service. Leah Kisses, does OWO, shags for England, kisses you all over, does a great massage and is great fun to be with - I don't know why this place has been hiding away but its time it got some visits - and as a regular user of the Manchester parlours I think its right up there with most of them (all it lacks is a nice bar/lounge area to meet the girls in!!!

Leah and Kate are about to move to a new location in Walmley but their details and new number can be obtained from the number above - I will definitely be returning (Leah and Kate do a raunchy 2 girl as well!!!!)
