The Premises:

Clean & tidy fit for purpose massage parlour Albert Road in Plymouth. Front door is on a main road who cares not me, once inside you are put at ease by professional nature, a lot like Edinburgh parlours.

The Lady:

19 years old, blonde with a size good figure. About 5'5" tall with fantastic tits & ass. I do like the young ones that enjoy their job better than the young ones who feel you should be enjoying it just because they are so cute.

The Story:

We started off with a kisses and cuddles(then after a few mins we moved to the floor). Sasha said prefers the floor than doing stuff on the massage table as there is more room. On with the condom for oral, very good. Then she told me as she lubed up her arsehole; that for ?25 i could slip my cock up her arse, I declined as I like to see who I am fucking and generally prefer the conventional entrance (unless there is no extra divi of course) I sucked her clit and slipped a finger up her greased-up arse (for no extra charge LOL) She came real powerful. For a 19YO girl she is a very dirty bitch that really loves hard sex and hard cock. I finished in the mish and kissed her full on, she says that she is very fussy who she kisses and I shouldnt put that in my report (sorry but as with the oral my finger slipped) great punt, great girl, great sense of humour.
