### The Premises:

It's been a while since I visited Victoria's but knowing that Rio had started working here did give me the incentive. Victoria's is off the main road with a discrete entrance. Was pleased to see that the place had been refurbished since my last visit with the rooms being well decorated and the Bathroom having a new and good shower facility. Main lounge area is still small but hey, I was here to see Rio in the bedroom and not in the lounge.

### The Lady:

Rio is an absolutely stunning lady in her mid to late 20's with a wonderful smile and great body. I would say she was about a size 12 with pert breasts and incredible nipples. She has a definite south American look about her and her bottom is just great. Her almost jet black hair and her tanned skin make her every exotic to look at.

### The Story:

I am not one to go into details, suffice to say that this was a great experience that I will be repeating again as soon as I can. Rio obviously enjoys what she does (that could be an understatement), and makes sure that you have a great time as well. This lady is a treasure and I hope that Victoria's is able to keep her there for many years to come as I hate finding a great lady like this to find they have changed establishments and you have to start looking all over again. Please. please, please Rio, stay in one place for a while.
