The Premises:

my 1st time at the conrad london hotel in chelsea harbour..very nice. 1 thing that threw me a little was that lifts have passes so had to meet sasha in the downstairs bar.

The Lady:

very elegant mid 20's indian lady, in tip top shape curves in right places fairly leggy even better than the pics

The Story:

booked for 3 hours & glad i did gave me a chance to get to know her a little. she said she doesn't do this full time & has a career away from this so i was lucky to have caught her in some of her spare time nice result for me as it makes a change as have had a series of bad punts recently.

Anal not on offer which was cool with me but what was on offer was acted out very thoroughly & very satisfyingly. shared a shower with sasha towards the end & she overstayed about 20 mins which suggests she is not a clock watcher.

The initial contact was a bit strange as she doesn't give out her phone number so was worried if she would turn up but boy was i glad she did & before she left she did indeed give me her number "incase i would like a repeat performance" her words... to which my reply was the sooner the better.
