The Premises:

Large basement flat, very clean, spacious and comfortable. Cat's room has an on-suite bathroom and living room has open fire. Flat has good security and i felt very safe.

The Lady:

Web pics speak for themselves. Beautiful facial features, very slender with an incredible tongue and sexy tatoo. A really sweet girl to spend some time with.

The Story:

A great night - i feel like i've been on holiday!

Cat is meticulously clean and left me more than satisfied, she really concentrates on making you feel good and comfortable.

If she offers to cook, take full advantage - spicy crab that she cooked for me was delicious! she even sewed on a button that had come off my trousers. her full body massage was perfect to drift off to sleep after a long night.

Cat was so good, i went to the bank in the morning when i woke up so i could have another couple of hours with her!

If you show her respect she'll really reward you - be gentle and enjoy this gem. take her some food!
