my first time at one of sables parties met at door by jase given a robe to change into after a shower if you wanted then up to the action. instant erection time several guys getting a blow job from the girls and april with a large dildo up her pussie. i was made to feel very at ease and joined straight in after about an hour of licking sucking and fucking i went upstairs with kate she got me to cum again, for the next two hours i shaged all the girls ending up with sable whose tight pussie made me come again whilst all this was going on you could have a few beers and something to eat. i think all the guys managed to get all the pussie they wanted and im sure we all had acheing knobs i know i did what a great party ill be back.
