The Premises:

Apartment in a block in safe area. Very Very spacious with large living area, bedroom and evolving dungeon

The Lady:

About 5' 7", black, with huge tits and lovely large arse. As described in other FRs a lovely lady.

The Story:

I went for her sensual domination service. After a bit of cuddling she wrestled me down and secured me spreadeagled to the bed. There followed a long teasing session with face sitting etc.

A very nice session with a very nice lady. For those into tie and tease etc I cannot recommend highly enough. She is also setting up a dungeon room in her premises. Treat her well.

The smell of her pussy lingered on deliciously after I had left. It made even the London Underground bearable.
