### The Lady:

Blonde Hair Mid 30s Sexy as hell

A face to die for. on Trisha's website she calls herself a voluptuous BBW and that is what this Lady is except she does not say that she has the softest skin and sexiest eyes in the world.

### The Story:

When I entered the room I was greeted by Trisha wearing this sexy PVC nurses outfit, and boy did I need some special treatment after that. The GFE started straight away with some very passionate kissing and caressing, followed by us moving over to the bed, being a gentleman and Trisha definitely been a Lady I will not go into too much detail but I have to say that when Trisha was performing what can only be described as the best bare back blow job of my entire life and she keeps looking at you with those porn star eyes of hers it makes you feel like a million dollars, for round two it was on with the raincoat for fantastic sex and a great nights company.

Cant wait to have the pleasure of this real Lady very soon (i hope)
