### The Premises:

Clean, tidy place on ground floor of a typical Kensington type apartment. Feel very safe with good shower facilities. Nice bed

### The Lady:

Tall, long leggy blonde girl from C Public. Attractive and curvy.

### The Story:

Was attracted to her from web site. Made a booking for an hour. Arrive on time. Nice smile but very plain dress and no make up. It than went down hill from there.

Very light kiss and no french kisses. Went to remove her dress but was told to wait. Got undressed myself as she was not willing to help. Kiss the nipple but was told its too sensitive so no going there again. BJ was "with" but i ask to have without and she refuse. She said she doesnt do OWO What is the point in paying 150 and not get OWO? Worst was trying to go down on her for some oral was told again she did not enjoy it and too sensitive. Complete waste of time. I did her in several positions which was ok but no noise, nothing. Shower and left. Would i recommand her.....NO NO!
