### The Premises:

Ground floor flat in nice block in Queenway. Was it clean? Yes. Was it in a nice area? Yes. Did you feel safe? Yes

### The Lady:

Her pictures look better than she. She is not a monster, just the person did a very good touch up job with her photos.

### The Story:

Well what she lacks in the looks department(my view). Pam knows what do to in the bedroom. EVERYTHING was on offer. We fucked in all positions none stop from the moment I gave her my cash. I normally like to take things a little slow. But Pam, had other ideals. Her tits are natural, nice and firm. And her cock sucking (owo) was top draw. I then stood at the end of the bed, Pam stuck her arse in front of me so i could fuck her anus. When I get the energy again I will be back.
