The Premises:

Nice flat in OK block, 5 minutes walk from Holland Park tube. Very nice area. Safe? I'd send my nan down to the corner shop at night without worrying.

The Lady:

Gorgeous. Very slim, nice toned and pert body, good looking. As per website photo's really. Looks good walking around aswell. That good combination of got it and knows how to use it. Very slinky.

The Story:

Started of nice and friendly, chat on the sofa before moving into the bedroom. Christine quickly stripped for action, which I wish girls didn't do, it's much more fun to let us do it for them! Quick kiss, cuddle and stroke before very good slow OWO, no CIM on offer. Onto some reverse oral, beautiful view.

Round two started with her on top, moving slowly and then for a while it got a bit too fast and furious for me, thrashing up and down at full revs. Moved onto doggy style which was probably the best I've had, pulling myself inside holding her slim waist, which was nice.

V. Good, might return, got to run downstairs and have a stern word with the boy racer parked across my drive revving his nova!
