The Story:

There are parties and there is Lady M's - really designed for the discerning Gentlemen who wants a sophisticated bolt hole to enjoy good wine, food and great sex - so if you fit the bill put this on your agenda. I've been to quite a few parties here and there are nice party goers and gorgeous sexy ladies who really know how to make you enjoy yourself and enjoy themselves as well. The other good thing about this establishment is that all the girls only party here - you can often see girls attending more than one party. Also the parties have an excellent ratio - on thursday there were 7 guys and three girls so it was another great way to spend a Thursday afternoon. They do it right - warm welcome with wine or beer and a lovely welcome kiss - nice white robes - warm shower - hot and cold buffet and terrific sex on large beds or even in the loveswing - maybe I should not have posted this - it may become too popular !!!
