The Story:

As in previous FR (sorry for lateness of FR but due to computer problems and manufacturer incompetence Just got back online so Posting FR now and as girl is still at the sauna it maybe useful to some people)

Same day as I Had been with Kim and was still horny after our session and she left at end of her shift. I sat back in lounge and thought I recognised Martine from a previous time at New town Sauna. So I asked her to go through to the room paid at desk first though.

I was correct she had been at New town street sauna and that time was one i will never forget as she was really good and so beautiful as well as new to this.

She still has a great body curves and breasts wow!!!! though I will say the sparkle is not what it was when she was at previous sauna. Understandable though as it can't be an easy job. Still owo, sex in mish, cowgirl and doggy as well as her on stomach.... was good and enjoyable...came with her wanking me.....Again She's a babe so treat her well.
