### The Premises:

An elegant apartment on three floors. Clean and warm

### The Lady:

Serene, a beautiful slender temptress half french and half italian

Sophia, a wicked Spanish lady

Gina from the Czech Republic, slightly older but very voluptuous

Alice, Gina's sister. Staggeringly beautiful, wonderful breasts and a come to bed look.

### The Story:

I am not going to write an essay on what was a most wonderful afternoon. All the girls were fabulous, welcoming and very sexy.

Serene is a little minx, she took about two seconds to get me fully erect and it was a pleasure to sink into her nice tight pussy while her nails clawed my back. She fucks like she really means it!

Alice was for me a real pleasure. She has those eyes that say so much and is a brilliant lover. Her oral is fabulous and when she was squatting over me, looking into my eyes with those wonderful firm ripe breasts bouncing freely, I thought I was in heaven.. She seemed tireless as she worked me every possible way till I flooded torrents onto her. I would love to spend a whole night with her or maybe take her away for a week of pleasure.

Her older sister Gina took over when I was practically finished and worked my bare cock with her mouth for ages. I thought I was spent but she would not give up and she coaxed yet another load over her face.
