### The Premises:

Very nice area, wish I lived there. Smallish flat in a converted house. Nice lighting in the room making it very visible.

### The Lady:

She is perhaps a tad less glamorous than the pictures portray. However she is intelligent and confident which all adds to the appeal for me. Her English is good and accented.

### The Story:

Started with a nice firm massage. It was relaxing to feel her fingers on me. Non of this light fairy touches.

Then turned over for some great OWO. She gave a very enthusiastic performance taking me all the way in. Admittedly I haven't been punting long but this was the first time that I came to my conclusion while receiving O. She took it into her mouth before spitting it out into a tissue by the bed.

Had another massage to recover and then took her from behind before finishing in mish.

Still had some time to go so took the opportunity to explore her breasts. They were really sensitive and soon had her nips standing up in no time.

Between bouts Nika managed to keep the conversation going. She seems intelligent, knows what she wants and how to get there. Nice after touch when she saw me to the door, gave me a little hug and said 'hope to see you again'.

All in all left very satisfied.
