The Story:

This was my second visit, last was before Xmas. The first time was great this turned out to be even better. LadyM greeted me with a big hug and introduced me to the other ladies and guests. A nice touch which puts everyone at ease with each other. Serene took some of us to shower and change into the robes. She even joined one guy in the shower, lucky bugger!!

After a relaxing drink and a chat LadyM announced she was horny and couldn't wait any longer so she and girls lead us downstairs. What a setup. Next four hours of sucking and fucking with occasional break for drink and food.

So much happened but the highlight of the party was definitely LadyM wearing nothing but her thigh high boots and strap on fucking Serene on the love swing, whilst another guy fucked LadyM from behind. Serene was surrounded by guys and had her mouth and hands full of cocks. Amazing sight.

LadyM and her ladies are great laugh and horny as fuck. I will be returning as soon as my diary permits.
