Lightly tanned, gorgerous figure, fantastic wardrobe, website will not reveal her 'come to bed' eyes...amazing

The Story:

It's noticeable that, with the odd exception, previous FRs on Kirsty, don't go into too much detail on what happened. Having spent the best two punting hours of my life in her company, I now know why. To go into too much detail would soil the memory of one of the most elegant, sexiest, charming, sensitive, intelligent women you will meet in any walk of life, let alone punting. And in any case, Kirsty herself would prefer it that not too much detail is "made public" which only adds to the consideration and sensitivity she gives to meeting you.

Her website will only slightly prepare you for her beauty and elegance and she is an amazing lover.

If this is a GFE, then find me a GF like Kirsty!!

If you're a 'wham bam thank you ma'am' punter fair enough, but forget any of that with Kirsty. She's not cheap and rightly so. If we were talking wine, then the ?50-a-time mob can stick to the Blue Nun and I will go for the Chateau Pterus 1961 that is Kirsty anytime.
