The Premises:

Nice clean multiplex apartment well laid out for the evening. Buffet and drinks complimentary, plus changing facilities showers etc. Valuables taken care of

The Lady:

4 ladies on the night Jessica, Sophia, Alice and Lady M. All very friendly and were definitely into the scene. Alice a schek girl had a small language problem and a number of restrictions which made no sense when you might have 3 men trying to shag you.

The Story:

Well this was a 1st for me. A party where basically 9 men shared the delights of the 4 ladies at once. Soon overcame any issues around the men trying to swing both ways as this was very definitely not on the agenda. Phew....Spent most of the evening with Jessica and you really do need to look at the website and then see her. Fabulous body and enthusiast to have her holes filled.

My personal favourite was after a very long blowjob erupting into her mouth and seeing her swallow every drop and lick her lips

Needless to say that this sort of continued for 4 hours there was no sense of being rushed or doing anything weird. It was a party men and women talked had some food, a few drinks and shagged. A really good icebreaker for me as a 1st timer would return, just hope that my next one is as good :-)
