The Premises:

Pictures on the website are very accurate modern bright spacious apartment. Very discrete and safe.

The Lady:

Lady M -- Sexy spicy indian lady, great hostess upstairs and enthusiastic participant downstairs. Always lead from the front.

Sophia -- Even hotter than her pictures. Both intelligent and horny what a combination!!

Crystal -- Stunning ebony beauty full of energy. Sex on legs.

The Story:

This was my first party and I choose here as the website looked very classy and FRs described how welcoming it was for the inexperienced. How very true. The welcome I received from both Lady M and Moss and being introduced to others was very reassuring. After a glass of chilled wine went upstairs to shower and change into robes.

Few more drinks and laughs when everyone was changed Lady M lead us downstairs to what she calls her playroom. And what a playroom. Huge room dominated by a massive bed and the most amazing love swing.

Ladies climbed on to the bed and started playing with each other, and then invited us to join in. From then on it was sex beyond my wildest fantasies. It was Crystals first party and she took a liking to the love swing. Sight of her on the swing with LadyM with her strap on still makes me smile.

Evening pass very quickly with fun downstairs and relaxing enjoyable chat upstairs.

Memorable experience and definately not my last party here.
