The Story:

Undressed and sat on the bed together and discussed what I wanted- opted for the tie and tease and fps. Started with a nice back massage (and other bits !), then turned over to concentrate on the important bits. Stroked Jodie's bits and pieces, while she concentrated on mine - blowing gently on my bits was a very nice touch ! Told to move across the room, and was manacled, so I couldnt stop her feeling me all over, and rubbing her naked body against mine - great turn on !

Jodie then produced a condom, and proceeded to kneel down and give a me bj - even more sensual, as I couldn't touch her !

Moved to the bed where we started in doggie, then moved to cowgirl to finish, with her kneeling on my face in between.

Great experience ! good vfm !
