### The Premises:

Clean and tidy aswell as safe. Bit of confusion to start with as the 1st girl I met was not Regina though very pleasant and one for the future

### The Lady:

Petit blond girl with the most perfect skin I have ever been against

### The Story:

Very sensual and sexy encounter. Was told she did CIM but didnt seem keen. I think she would have but didnt push it.

More than made up for by here OWO and doggy fuck which with deep kissing brought an eruption from my cock.

English awful but pleasant attempt to be sociable before second round bang in mish.

All in all good value experience
