The Premises:

Clean and tidy. Used the VIP room, which was very spacious and private. She bolted the door after she came in to stop anyone else coming in. Felt totally secure. Large spa bath to use. Drinks in fridge. Clean sheets. Lap pole if required.

The Lady:

Large breasted, large hipped, beautiful smiling face. Long dark hair and blue eyes. About 30, but looked younger.

The Story:

Massage back and front, oral with condom on, oral in 69 position (recommended), sex doggy style, finished off with cumming on her breasts after hand job between them. She was polite at the same time as being a total turn on. Wanted to know what turned me on, chatted over the massage about anything I wanted. Very honest and open, as well as being extremely sexy. Recommended other girls and explained the 'house 'to me, as it was my first time there.
