The Premises:

Top quality 2 bedroom apartment in a quiet street near Victoria station. Fully furnished to a high standard and spotless. Discreet and safe. Excellent facilities. Toiletries and towels provided.

The Lady:

Hostesses L and C, known as the Essex Girls. C, medium height blonde with a body that reflects the fact she works out. Looked great in a leather dress with large buckles. L is slightly shorter, dark haired and looked fantastic wearing in a traditional little black number. Kelly, a black English girl with an incredible body, dressed in white underwear with something flimsy and pink over the top to keep the weather out. One of the guests brought his partner who joined in.

The Story:

I have been to several parties hosted by L&C, and they are always great fun. The ratios are good so that you get to spend time with the girls realising your own particular fantasies. However, this is a true party rather than your all too common shag fest. Great food, drinks, and conversation with both the girls and other guests. Nobody takes themselves too seriously and we had some laughs as well as a lot of fun in the bedrooms. The girls make fantastic hostesses and ensured that everyone was well looked after. At the end everyone left with a broad smile.
