The Story:

I had been trying to see Elizabeth for a while but she was always busy when I had called. Glad that I finally got to meet her .I wont go into great detail in this report other than to say that she is well worth the visit especially if your into the more mature escort . She gives a great service as you come to expect from one of Judys ladies. I would certainly recommend Elizabeth to anyone that wants a great value for money service. Treat her with respect fellas she is great fun , I will certainly be going back for more.
