The Premises:

My second visit. As I reported on my first, a lovely modern apartment over 3 floors. Very big and I liked the way the different areas to change in, relax and play in were on separate floors.

The Lady:

Lucy. Lovely little black girl, early 20s, great body

Alice. Blonde European girl, lovely tits and horny smile. I had met her on my last visit.

Gina. Another blonde, slightly older and very sensuous

The Story:

Went to the 4 hour party a few weeks ago and had a great time. Was in London again and diary freed up enough to attend the 2 hour party. Got a lovely welcome back from Lady M who remembered me from last time.

Although this was only a 2 hour party, ran along similar lines to the longer one Still the robes, good food and drinks and lots of great horny sex downstairs. About the only difference is less recovery time!!

All in all, enjoyed both parties equally, girls were just as good and I will be back again, just depends on my schedule (and hopefully when Lady M is playing. Missed her again!)
