### The Story:

Victoria is very quietly spoken and gives the impression of being a little shy...

But once we got going she proves to be extremely sexy and adventurous. We started off kissing and she then opened my trousers and slipped out my cock. She then knelt in front and gave me some fantastic sucking and ball licking. This was superb, especially after a quick toot of poppers!

After a good period of this, I could wait no longer and begged 'let me fuck you in the arse'. Victoria quickly slipped on the condom and bent over before me and guided me into her tight asshole.

This felt great, especially when bent over her in front of the mirror as I rogered her from behind.

Overall a superb performance from Victoria and I'll definitely be back for more of this!
