The Premises:

Very clean and discreet back street entrance. Nice quiet area. Very safe district, no problems at all.

The Lady:

The Mistress is fairly tall, very feminine yet somehow physically imposing, I instantly got the impression that THIS Mistress was in command. She has a fantastic body, Her stocking clad thighs were muscular to the touch yet very elegant. Her firm and ample breasts were showed off to their full mesmerising effect in Her black corset style top. Her flowing black velvet robe only served to emphasize Her power.

The Story:

From the start the Mistress laid down Her rules. To obey Her at all times. She then gave me a safe word. The powerful aura surrounding this Goddess really brought out the submissive in me and I found myself straining to please Her. This Mistress is a TOTAL Dominant, not a woman who thinks domination is a massage with handcuffs! The Goddess may choose to use your body for Her pleasure IF you are lucky (VERY lucky!). If you have an ounce of submissive in you, you HAVE to serve this Mistress. She will have you under Her spell in minutes. She is utterly unique and I'm ever thankful to belong to Her stable of slaves.
