The Premises:

Located in a mixed residential (terrace, traditional townhouse, smaller detached houses) area close to the M1. Parking is available on the street and access is via the rear gates shown on the website. Bathroom and shower facilities provided were clean and stocked with fresh towels, soap, etc. Decor appeared in good condition although the colours chosen were quite dark. Received a friendly greeting at the door.

The Lady:

Sophie is a brunette with an engaging smile who stands approximately 5'6" in height and possesses a slim, athletic figure. A 'keep fit' fan she is well toned but, in my opinion, retains a feminine softness in just the right places! Sophie has a charming manner and a genuine interest in her clients' enjoyment and wellbeing.

The Story:

An enjoyable hour that passed rather too quickly. It began with Sophie putting me at my ease through the initial conversation then moved through several phases including baby oil massage, blowjob (covered), mutual maturbation, penetration, etc. finally culminating in the second animated climax of the afternoon with Sophie bent over the settee in our agreed favourite; the doggy position. Fan-bloody-tastic! My only regret was I didn't have quite enough time to go for Round Three (next time Sophie eh?)

Guys, if you appreciate good, healthy, sexy fun with a charming courtesan I can recommend an hour with Sophie.
