The Lady:

Jade is in her 30s, with a lovely smile, the softest, most kissable lips, a great West Midlands accent and a firm body that re-pays close inspection, something which Jade is very happy to encourage. I felt I could really cuddle and caress Jade.

The Story:

We started with an oily massage which was very pleasant. This was followed by some rimming which, for me, was a totally new experience but one I will not forget easily such was the pleasure Jade gave very freely. This led on to very intensive licking of my balls and cock with me just lying there watching in the ceiling mirror. Jade works very hard to create a truly pleasurable experience which was accentuated by her frequent use of my name. I love a girl who talks dirty and Jade is exceptional in this regard. Eventually, after we had played with a vibrator on Jade's clit and on my cock she asked me to fuck her from behind before cumming in her mouth. This was exquisite talk from the horniest woman I've met. I was quickly round the back of her, fucked her in doggy and then in mish before she had me sat in a chair to cum in her mouth. Sensational.
