The Premises:

Not too bad an area, but wouldn't want to visit late at night. The establishment its self was clean and up to the standard of these places. i felt safe, there was a receptionist and lady working, both female.

The Lady:

Sereena is a gorgeous dark skined, indian lady, with an amazing body, a body to die for!

The Story:

first of all i was given a nice massage, with Sereena kissing and licking my back and neck. then i was asked to turn over so my front could be massaged, to which more kissing and licking of my body took place, very erotic. i was given a list of proposed specials, kissing and cuddling, reverse oral and OWO. i declined these offers, as i was so turned on by the situation thus far, that all i wanted to do is get down to business, if you get what i mean... Sereena was amazing, once covered, she lept on top of me and put Lester Piggott to shame... i then turned her over into doggy, to which i could hold back no long..... thanks Sereena for making my ambition of having an Indian lady, you were amazing!!!
