### The Premises:

Debbie's is well reported. Clean, and surprisingly cosy for a basement flat under a closed shop.

### The Lady:

Nina is a young, busty blond from Prague. She met me in a red negligee, with a beaming smile and eyes that sparkled. She's confident, intimate and totally dedicated to sexual mischief.

### The Story:

Debbie's is a no-rush establishment - that's been said many times. After my first visit - actually, visits - I can report that this is true.

I had a fantastic time with Nina - unhurried and way above any punt I've had before. I'd recommend her - and Debbie's - to anyone. I also spent a long time there. Now, I enjoyed the company and the relaxed atmosphere. Anyone who is in a hurry, should think about going somewhere else.

I first visited on the Wednesday, to see Kelly, who has some mighty impressive Field Reports. I still don't have any direct experience of her, but I got some impression of her style - at one remove - that afternoon.

I was let in by Lee, who warned me there would be a long wait, as I was second in the queue. That won't take too long, I thought, and settled in the kitchen (with full access to the tean and cakes - thanks girls!).

As I reached the head of the queue, I moved to the lounge, and chatted with Lee. She put me at my ease, and the time went by very easily. All this time, we were somewhat aware of the sound of Kelly at work - or I should say at play? It's not that Debs has skimped on the soundproofing - it's just that Kelly doesn't have any inhibitions, and seems to spend each session having an endless, ecstatic orgasm.

As my turn approached, I looked at my watch, did a quick calculation, and realised that I didn't have time to do Kelly justice I made my excuses and left, very reluctantly, with Lee apologising. No need

to apologies by the way Lee - you're a lovely lady, and chatting with you was a pleasure!

Next day, what could I do? I came back nice and early, to meet Nina, who hasn't been so widely reviewed, and deserves wider recognition. I can report that she is great fun and totally wicked. Our time together went from the sublime to the ridiculous and back again.

Kelly let me in - it was a nice surprise to see her again, on maid duty. She did the introductions, and Nina and I got straight down to pleasure - the house special.

The shower was fun, and we were well into kissing and cuddling before we got there. Other FR's hav noted Nina has "proper" massage training, and she moved very naturally between some serious work on my shoulders and back, and some more intimate attention elsewhere.

The rest of the session involved excellent oral, and a fantastic fuck. It was all accompanied by fantasy, chat, and laughter.

I came rather more quickly than she or I expected, as listening to Kelly the previous afternoon had made me very horny. I think Nina didn't get as much fucking as she wanted, but she didn't rush me out. We ended the session with more cuddling, stroking and laughter.

So, thanks Nina, Kelly and Lee for easing me so gently into Debbie's world. I left that day, feeling fantastic.

The "no-rush" approach has rubbed off, evidently: it's taken me a month to get round to this report. I will certainly be back to see you again, Nina - and I'll be getting some first hand knowledge of Kelly too!
