The Premises:

Good instructions given on phone. Parking in safe streets nearby. Entrance leads into small reception/waiting area with 2 rooms off corridor. Romm small but clean. Nice firm single bed with clean looking bedding and appropriately placed towel.

The Lady:

Slim, attractive, dark hair, pert breasts - suspiciously firm.

She met me at the door wearing nice bra and tiny panties, stockings and boots. About 5'6" and 34B at a guess.

The Story:

Summer met me with a smile and was very pleasant and chatty. I had pre-booked a "sexy" massage and OWO. She told me that the price included full sex (covered) if I wanted, but I wasn't inclined on this occasion. The massage was a bit perfunctionary and hardly sexy. Bangkok girls could teach a thing or two. OWO was fine, although she only told me at the last minute she wouldn't take CIM. So I pre-warned her and she brought me off to a very satisfactory conclusion by hand. Nice lady but I might keep looking till I find the type I'm looking for. But she's fine and I'd recommend her if you like slim.
