The Story:

I met Jade for a relaxing lunch back in January at a quiet country pub in Devon before going back to a hotel near Okehampton for some very special private time.

I found Jade to be a genuinely lovely person, who is great fun and absolutely stunning in every way. Despite our room being at an almost subzero temperature and therefore hardly conducive for intimacy, we had what can only be described as a very special time.

Jade is passionate, incredibly sexy and very very warm! I am so looking forward to spending more and more time with her.
