The Premises:

Flat in smallish block with discrete enough entrance. Inside the bedroom is OK, Anastasia will tell you about the problems she's had trying to get the landlord to refurb the place. Watch out for the toilet seat though! Basic and adequate not luxurious.

The Lady:

22 years old half Polish (top half she says;) other half Russian. I think Anastasia is also registered with another agency on <http://www.loveroses.co.uk/galleries/escortDetails.cfm?iEscortID=64> and I suspect her stats are between the 2 I'd guess 36b 28 39 great eyes, wonderful smile and very perky pert tits (not for the Jordan fans amongst you).

The Story:

Anastasia met me wearing high heels a short skirt and skimpy top. She'd kissed me before the door was closed and that set the tone for what must be the best value GFE punt in London. The kisses got deeper and hotter as we went into the bedroom and I had to "give her a gift" and take a cold shower to regain control. Back in the bedroom it was more kissing then 69 - her OWO is excellent (deep, good variation in speed and action, plenty of tongue, mmmmm I'm loving it). Next it was on with the raincoat and into cowgirl, watching those perfect little tits bounce up and down whilst Anastasia moaned with pleasure tipped me over the edge. More kissing and cuddling accompanied by her life story (she did ask if I wanted to hear it). Then round 2 OWO to completion. At this point I will apologise to all you readers because while I think she swallowed I'd have to admit that I was so content lying back enjoying the moment i didn't take much notice. Anastasia is fabulous in my book I left feeling as though I'd made a charitable donation, caught up with an old friend and had the best sex in ages - what could be better?
