The Premises:

Easy to get to near a tube, nice flat, very clean in a safe area. I felt at ease going in and while i was there.

The Lady:

Amy is very sexy, long legs (which i love) and a very firm athletic figure - fantastic nipples. She has lovely long hair and gorgeous lips.

The Story:

I wanted a roleplay where she dominated me but not too much as it was my first time doing this. I have seen her before so i was brave enough to ask. And what a session it was. She more than satisfied me a few times in the hour and i felt at ease with her all the time. Great oral and made me do a few things that i had wanted to try. But that's private so try her yourself. Excellent!!!
