The Premises:

Terraced house near West Wycombe Rd. Downstairs is very basic but the rooms are pleasant enough. Enter house on the side not front door. Parking in the streets around the house but not a luxurious area.

The Lady:

Blonde early 30's nice boobs very pretty and with a fantastic personality. She is Louise from Kisses!

The Story:

Louise (or is it Sam?) is a total winner. She just loves sex. She likes doing naughty things, so she wants your cock in her mouth, bum, pussy anywhere that is "naughty". That said she receives oral with an enthusiasm you cannot believe.

Her attitude is that you have rented me for the time that you have and I am yours to do with as you wish. You are going to leave this place with a dirty great grin on your face and I did!

Stunning blow job with cow girl finished gave me first bang which was a very fireworks and blue stars variety. Whilst JT was up and ready for more quick enough there was no juice left.

If you met Louise out at your pub you know she would be the life and soul of the party. She is a fun bird doing something she really loves.

I think there is the makings of some very exotic sessions with Louise and I will back to find out how naughty she can get!
