The Premises:

Sasha's is quite basic but has the necessary facilities, waiting lounge with a gorgeous receptionist, bathroom with shower and a nicely presented bedroom. Easy to find and plenty of local parking.

The Lady:

Yasmin is quite a large woman and although a warm lovely likeable lady she was not really my type. Very large firm tits (38DD) but a bit on the chubby side.

The Story:

Yasmin quickly puts you at ease with her down to earth good humoured banter. Offers a full range of services (including O and A levels) for a few quid extra. After enjoying the basic service I paid an extra ?10 for a wonderful OWO which I have to admit she was expert at. While there I was also offered the chance for the receptionist to join us, prices for this ranged from ?10 for her to watch topless up to ?40 for her to join in properly. As I said earlier, Yasmin wasn't really my type but she is a lovely lady and if you like bigger women then you couldn't get any better.
