The Premises:

louise place was next to a wine bar but it was dark and no one was looking. It was quick safe and clean and tidy

The Lady:

What you see on the pics is what you get. She looked shorter than her photos but still stunning

The Story:

To get to the point i din,t enjoy this punt as it was too mechanical.

I won,t say she loved herself but she know her looks sold the sale as it were. I Make the error to see if there was other reports on this girl. Its worth seeing her if you like a good body but beprepared to get bored. She wasted a lot of time and i had to make round two happen. I would say give it a go but beware there is a lot better out there.

ps. Keep up the good work punternet
