The Premises:

Basement flat very close to Anerley station. Comfortable with an ample supply of tea and croissants on hand, except when Kelly cremates them in the microwave ? sorry Kelly!

The Lady:

Very bubbly and enthusiastic Czech girl, blond, in her early twenties and a lot more busty in the flesh than her pictures on the web-site would lead you to believe.

The Story:

Right from the start Nina was extremely horny and attentive, going straight for a gentle grope of my meat and two veg, even before I had a chance to drop my trousers! The intimate details of what ensued I will keep private between Nina and myself, but suffice to say she hit all the right spots and provided a true GFE, albeit a very dirty GF. There was absolutely no rush, even though I was probably her last punter of the day, she even seemed slightly upset when I came reasonably quickly, asking why I had started pumping so hard when I had earlier asked her to go more slowly. The only downside with Nina is her popularity, it seems to be essential to make an appointment beforehand.
