The Story:

Down in the big toon on business, thought I'd stop over for some quality time. The lass on the phone recommended Greta. Said she was new in town. Bet they say that about all of them...

found the place no problem at all, met at the door by greta herself. very nice, very friendly - strong Spanish accent but her English very good all the same. Down for two hours, so paced myself! Started with a nice drink and a chat. Greta sat right next to me and after a little bit started stroking my leg. Needed no more encouragement!!

Through to the bedroom. started with some fantastic OWO with good eye contact and ball-tickling. She let me come her mouth like a good girl. Bit of a rest then on with sex in lots of positions, finished classic Geordie stylee with me on top giving the girl the good pounding she needed. Blow me down if she didn't come, too. either that or shes the best faker i've ever met!!

Really good experience with a dead lovely lass.
