The Story:

Over the years Ive visited VH on several occasions and have tried never to see the same girl twice. This has meant Ive had the pleasure of a number of the VH staff and today I saw Rachel. Of all the Girls at VH I have seen she is by far the best looking I have come across I you pardon the pun. We started off with a average but unhurried massage without much feeling put into it and after a while turned over and I opted of a full service. on with the condom and a good if short BJ followed. then onto the bed for sex in several positions finished of by Mish.

Not a bad punt by all accounts but Ive had so much better from VH girls I left a bit let down Rachel she put little effort into the whole thing and looks cant make up for apathy. Not a bad punt but their is so much better at VH I wont be troubling Miss Rachel again.
