The Premises:

This was my second time to see Amy, I emailed Amy a couple of weeks in advance for a 9AM appointment. We talked on the phone to firm up the appointment the day prior. Amy showed up on time, excellent planning, considering traffic and all.

The Lady:

She is a very attractive young woman who gets your heart pumping just to see her. She was very friendly and bubbly, filled with joy and made me happy I was alive and going to get to spend some time with her. She takes care of her body, which is really beautiful. She enjoyed having me look at her and smile so much I think.

The Story:

She made me feel as if we were friends and when she came out of the bathroom wearing the little bra and panties I was again reassured that I had picked the right woman.
