The Premises:

many previous reports on the London Retreat. as always, clean, courteous maid, drink offered. Flat is in basement and clearly marked.

The Lady:

Ava is a very slim and gorgeous blonde eastern european lady. She speaks very good English. very relaxed and easy to talk to.

The Story:

I was a little concerned as Ava is new to the Retreat and was not sure she would be familiar with the equipment. I like a good torture and tease session using a number of the instruments at the Retreat. Ava was well conversed with all of them and came up with some innovative new (and painful) ideas which added to the experience. After an excellent session on the cross she let me down and was very accomodating to my requests. She is an excellent experience and I thoroughly reccomend her.
