The Premises:

nice, clean establishment. loved the mirrors...everywhere. clean shower and locker room, never used the sauna to comment on.

The Lady:

5ft 7/6ish, black, strawberry blonde hair (but i think she chops and changes a lot), nice body, size B/C breasts.

The Story:

nice massage, although her amazingly fake interest in what i had to say put me off a bit. absolutely amazing oral w/o, i was gasping for air and writhing around, no-one has ever gotten that reaction out of me before. she also put me at ease from the start, practically putting my hands all over her while she performed oral. sex was nice, especially doggy. finished 5 mins early, and got a nice massage till i left.

i would recommend this lady to anyone.

i went to this sauna 3 days in a row, when i normally only go 3 times a year. worth a visit if you ever go to edinburgh
