The Lady:

Trisha's pictures on her website do not do her justice. She is a gorgeous BBW with curves in all the right places.

The Story:

If you like seeing thin ladies with schoolgirl like figures who are unpassionate, time watching, quiet and seem like they are just going through the motions, please don't bother with Trisha. She provides the best GFE I have experienced in Leeds and my visits with her get better and better.

There is not much Trisha doesn't do (A being the only exception) and there are some things she almost seems to encourage. She absolutely adores cum and really enjoys it on her wonderful breasts.

She is wonderful at making you feel special and if there are any ladies who can talk dirtier than her, I would love to meet them. Her repartee enhances a wonderful visit and I just wish I had the funds to see her more often.

I wish I could keep her to myself but she seems to be highly in demand and rightly so. I just ask fellow punters to treat her nicely and with respect and she will reciprocate and give you a great time.
