The Premises:

Large block of flats. Very safe. I just walked in and went straight up in the lift.

The Lady:

Gorgeous. Just like the photos. Amy is a very glamorous woman with a very attractive face and a lovely curvy figure (E cup breasts are enhanced in the best way possible). She was wearing a slinky dress and sexy underwear underneath. All over tan. Some tattoos.

The Story:

Amy offered me a drink, called the agency and we were soon stripped off and on the bed. She is like the most sexy girlfriend you could ever have. Her kisses were sensual and soft. She gave me a prolonged, skilled BBBJ with plenty of attention to my balls, and I could see her lovely face throughout. She also enjoyed reverse oral and moaned gently, becoming nice and wet. Sex was excellent in all the usual positions (she said that she particularly liked it from behind). She even was happy for me to gently test out her A levels. In cowgirl she was spectacular, with her heavy breasts bouncing around, and her face became nicely flushed. Watching her body in the conveniently placed wardrobe mirror did it for me in doggy and I came. She was relaxed afterwards and we chatted until well over the hour. A real treat!
