### The Premises:

Quiet area just off the Brompton Road. Felt safe. The flat is a ground floor apartment which was clean and tidy.

### The Lady:

Samantha is a tall slim very attractive lady with light brown/blonde hair at shoulder length. She has a fantastic bum - great for bum lovers like myself! Pert breasts with long suckable nipples. She has a very cheerful nature and welcomed me with a smile and beautiful big eyes. Speaks good English giving intelligent conversation.

### The Story:

After being made very welcome, I was offered a drink and we sat and chatted for a few minutes..then sorted out the present and onto the bedroom..After stripping off, we kissed, she made her way down to my throbbing member which she proceeded to give me one of the best blow jobs I have ever had. Lots of eye contact.. Owo was great - I think to completion is on the menu but I held out..We then had sex in different positions finishing in doggy (so I could see that ace bum)..Tried to revive me for round two but it had been a long day! I will be back - highly recommended!
