The Premises:

Debbie's has been described many times before and is a nice clean basement flat very close to the train station. The place is clean and tidy, warm and very friendly.

The Lady:

Nina is a delight. Lovely blondish hair, about 5ft6in her bare feet but first appeared about 4-5 inches taller in her heels. She is bubbly and affectionate and is even better than the photos on the website.

The Story:

This is my first post and my first punt. I'd been sent a link to punternet by a mate and had got hooked reading the FR's. I happened across Debbie's soon after as I searched for places near to where I live. I finally got up the courage and went along last Thursday night. Debbie greeted me at the door and told me that Nina was with someone and that someone was waiting - although they wouldn't be long. I was shown into the kitchen and offered a drink - to avoid having to wait with the other punter - very thoughtful. Debbie made me feel very comfortable and chatted away like an old friend.

I waited about twenty minutes and then was shown into the bedroom. Nina hauled a kissed in a very friendly way and then discussed the options. She undressed me and we then had a shower, followed by a massage and sex (which I won't go into here).

All in all I had a great experience and I will be back to Debbie's on a (very) regular basis. I intend to try each of the girls but will defiantly return to Nina - that sexy Czech accent did it for me!
