The Premises:

V.H. - Still as clean as ever. Not quite upto the normal standard- hot tub empty, receptionist just a bit "sharpe", & the beds have gone, replaced by large sofa's. Used what was the Elizabethan room, but it seems to have lost the "feel"- I just prefer a bed.

The Lady:

As described on the sight, a real fun lady, bordering on bbw.

The Story:

Laura gives a very good massage, finds those knots. This took longer than I would normally like, but was skilled. Body to body O.K. oral fair, with plenty of eye contact, sex in three positions, toy show, followed by oral (with) to completion. Laura enjoys her work, & lets you know she does; if larger, fun loving ladies are your thing, then Laura is for you. If you want a slim/fit "doll", then Laura is not for you.
