The Premises:

Her flat is very clean and tidy the flat is in an estate of flats with plenty of street parking, I felt safe in the area and no twitching cutains.

The Lady:

Mrs Robinson also known as Morgan is 50, she has a fantastic 5' 6" body. Her skirt was short, fantastic seeing walking around her flat in high heels and stockings :-)

The Story:

I have seen Mrs Robinson a few times in the last 18 months, she always makes me feel very welcome like a meeting of old friends; started with a drink and a chat on her sofa, mind you it does not take to long before the hands to start wandering up her lovely stocking clad legs, then the kissing (french) starts Morgan can kiss for England I seriously have trouble catching my breath :-)

We then wandered off to the bedroom more kissing and mutual undressing, well I seemed to be naked quicker than her, her breast a pert and her nipples are devinen. What can I say about what happened next ??? the 69 woowooooooooow we went through a number of other positions

Morgan is one of my favorite ladies to visit with out doubt a true and genuine GFE
